

Proposed Social Distancing (if needed) for Restoration of Mass

- Seating in every other pew, staggered for maximum distance*
- One family per pew, if from the same household
- No more than 2 people per pew, if unrelated, to allow 6 feet between (depending on size off the pew)
- Unavailable pews would be roped off, to make it clear what is unavailable
- For example, for Holy Family with 40 pews (20 available), this would allow for:
 - A minimum of 40 (2 per pew)
 - Families, averaging 6 per pew would be around 120

* Layout not to scale
